**Bachelor of Computer Science**

09/2021 – 06/2025

**Egyptian E-Learning University (EELU) – Artificial Intelligence Department**

Assiut

**GPA :3.62 / 4.0 (A+)**

## 🧠 SKILLS

### Programming Languages

- HTML
- CSS
- JS
- Python
- Java
- SQL
- C++

### Audio editing

Adobe audition

### Videography & Photography

- DAVINCI RESOLVE APP
- LIGHT ROOM APP

### Models

- Logistic regression
- SVM
- Random forest
- Decision tree
- LSTM
- Naive Bayes

### Machine Learning&Deep Learning

### Soft Skills

- Fast Learner
- Team work
- Problem Solving

## 📖 COURSES

### Web Design NTI

- HTML, CSS, and Bootstrap, which helped me craft responsive web pages.
- Gained foundational knowledge in JavaScript and applied it to real-world projects.

### Front-End Internship – DEPI

- Covered HTML5, CSS3, Bootstrap, JavaScript, React, and UI/UX fundamentals.

## 📁 PROJECTS

### Heart Disease

- Logistic Regression .

### Sentiment Analysis

- Random Forest
- SVM

**Face Detection**

- OpenCv

**World Website**

- Using HTML&CSS

**Kasper Website**

- Using HTML & CSS and I implemented responsive layouts using media queries

**★ EXTRACURRICULAR ACTIVITIES**

---

**GDG Assiut University**

- Photography & Videography Member

**MOIC**

- Photography & Videography Member

**TEDx**

- Photography & Videography Member
